LOCAL RULES

All the buildings and walls within the boundary of the course are integral parts of the course.

The ball hangings at the 3rd and 5th holes and all surfaced paths, curbs and control boxes within the boundary of the course are immovable obstructions. If the obstruction interferes with a player's stance or area of intended swing, relief may be taken under Rule 24-2b.

Any area defined as blue stakes or lines is GUR. A player, whose ball comes to rest and is identified in this area, must take relief without penalty under Rule 25-1b. If any tree or stake supporting the tree are marked in blue it is an immovable obstruction and relief may be taken under Rule 24-2b.

The water hazard at the 6th hole is an environmentally sensitive area. Entry to, and play from this area is prohibited. If a ball played from the Tee side of the hazard comes to rest in this area, the player must go to the drop zone on the far side of the hazard, and drop under penalty of one stroke. If during the play of this hole, a ball played from any other position comes to rest in the hazard, the players should proceed under Rule 25-1.

A player's ball coming to rest beyond the white stakes to the right of the 14th hole is out of bounds and players should proceed under Rule 27-1. During the play of the 16th hole the white stakes are deemed immovable obstructions, and players must proceed under Rule 24-2b.
